

Public Notice

Pursuant to Article 258.005(a) of the Texas Transportation Code, the Commissioners Court of Colorado County, Texas provides this notice to the public of its intention to consider the adoption of a County Road Map including each road in which the County claims the continued existence of a public interest and a right of access and egress for maintenance of an existing County Road. The roads in which the County claims a public interest have been maintained for many years, beginning some time prior to 1981. A County Road Map including each road in which the County claims a public interest will be available for inspection by the public at the County Judge's Office in the County Courthouse during business hours, beginning October 1, 2011.

The Commissioners Court will conduct a public hearing on January 10, 2012, at 10:00 a.m., in the Commissioners Courtroom in the Colorado County Courthouse. At this time, pursuant to Article 258.002(b), Texas Transportation Code, any person asserting a private right, title or interest in a road may appear before the Commissioners Court to object or protest the County's claim of its right to continue maintenance of the public roads depicted on the County Road Map. Any person asserting a private right, title or interest in a road may also file a written protest with the County Judge at any time before the time and date of the scheduled public hearing. By way of this procedure, the County makes no claim affecting title, acreage, or ownership of the land, but only asserts a maintenance easement upon the surface of the land.
