Hi Kelly, per your email, here is an email I received yesterday from some potential donors who we had invited to the Pres. Box for a basketball game next week. I have responded to them as you suggested, but wanted you to have this as well

Michele and I have discussed the way in which the dismissal of Coach Leach has been conducted by the Tech administration. So far it has been non-professional and embarrassing. We are returning the tickets and parking pass to the President's office. As of now we are discontinuing Texas Tech related purchases and contributions.

Sincerely, Rex and Michele Wilt
